North Causeway Low Speed Vehicle (Golf Cart) Route Map & Rules of Operation

The Florida Department of Transportation (FDOT) approved a speed limit change to one section of the North Causeway from Riverside Drive to 250' east of Quay Assisi. This change from 40 MPH to 35 MPH became effective 2019.

The NSB Police is again providing important information on what is defined as a Low Speed Vehicle (LSV) and their lawful operation on certain roadways.

Low Speed Vehicles (LSV) must be Equipped with the Following Safety Equipment

****REMINDER**** The portion of the North Causeway between the west end of the bridge and Quay Assisi is still 40 MPH and LSV's are not permitted to travel this section.

Please take the time to review the information provided in [Florida Statute 316.2122](#) which governs Low Speed Vehicle use and provides certain restrictions. A few of the most important are:

1. Low speed vehicles can only be operated on roadways with a speed limit of 35 MPH or less.
2. Low speed vehicles must be registered (Tag) and insured as with any motor vehicle.
3. To operate a low speed vehicle, you must have a valid drivers license in your possession.
4. Low speed vehicles must be equipped with all safety equipment such as, headlights, tail lights, seat-belts. mirrors etc.
5. Low speed vehicles are subject to all traffic regulations as provided by Florida Statutes and must be registered and insured.

****REMINDER**** "Unregistered" golf carts traveling anywhere within the City is never permitted except when traveling to and from a nearby golf course on a municipal street authorized by the governing municipality and as provided for in Florida Statute 316.2122.

In addition, Low Speed Vehicles are prohibited on 3rd Av., A1A (S. Atlantic Av.) and all roadways where the speed limit is over 35 MPH.

****The NSB Police will be enforcing violations****
